08/26/2019		MINUTE ORDER: Before the Court in this FOIA case are a complaint and an answer. The requirements of LCvR 16.3 and Rule 26(f) of the Federal Rules of Civil procedure appear to be inapplicable. IT IS HEREBY ORDERED that the parties shall meet and confer and propose a schedule for proceeding in this matter. The schedule shall address the status of Plaintiff's FOIA request, the anticipated number of documents responsive to Plaintiff's FOIA request, the anticipated date(s) for release of the documents requested by Plaintiff, whether a motion for an Open America stay is likely in this case, whether a Vaughn index will be required in this case, whether and when either party anticipates filing a dispositive motion, and any other pertinent issues. The parties shall file a joint status report that addresses these issues no later than 10/1/19. The joint status report shall be accompanied by a proposed order. Signed by Judge Tanya S. Chutkan on 8/26/19. (DJS) (Entered: 08/26/2019)

10/17/2019		MINUTE ORDER: Having considered the parties' joint status report <u>9</u> , it is hereby ordered that the parties shall confer regarding Defendant U.S. Department of Labor's (DOL) search parameters for responsive records by October 9, 2019. DOL will complete its subsequent searches for responsive records and report the number of potentially responsive pages yielded by the searches to Plaintiff by November 1, 2019. DOL will make rolling monthly productions of responsive records identified by its subsequent searches, with a first production to occur by October 28, 2019 and for which DOL will process at least 500 pages of potentially responsive material. The parties will further confer about the appropriate processing rate in this case following DOL's provision of the estimated number of pages of responsive records to Plaintiff. DOL may include duplicate pages in its processing, but the court will reconsider its decision on this issue should the 500 page processing obligation result in review and production of an unreasonably small number of unique pages. The parties shall file a joint status report by November 8, 2019. In that joint status report, the parties will provide the estimated number of pages of responsive records identified by DOL's subsequent searches and a proposed production schedule. A proposed order shall accompany the joint status report. Signed by Judge Tanya S. Chutkan on 10/17/19. (DJS) (Entered: 10/17/2019)

The parties shall file a joint status report by December 6, 2019, and every 60 days thereafter. The report shall contain a proposed order to the extent the parties propose a briefing schedule.
